Ed's Comments

After a not so chilly holiday, I thought it was going to be a great New Year and leapt into January! Unfortunately, a nasty bug was making its way around the office and then knocked me out for a few weeks. I hope you managed to dodge the flu this year.

I did start the New Year doing a New Year's day fun run. While it's not a PCA event, Steve Searl, the president of Yosemite Region, organized a drive starting at Porsche of Livermore that seems to be getting larger every year. He's shooting for 300 next year. He just might make it.

This last Sunday, we had a great awards luncheon at Blackhawk Auto Museum again. I met a lot of new members from this past year and reconnected with other friends. This year we had Paul Czopek, our Zone rep, as a speaker and he gave us some history of PCA and our zone along with updates on Parade. We also had Tim McGrane, the Executive Director of Blackhawk Museum, spoke about the fascinating museum.

This year we had numerous Porsche prizes donated by our generous Porsche dealers in our region: Livermore Porsche, Michael Stead Porsche and Fremont Porsche. Thank you to each dealer for your support of Diablo last year! I asked our members to support our sponsors as well.

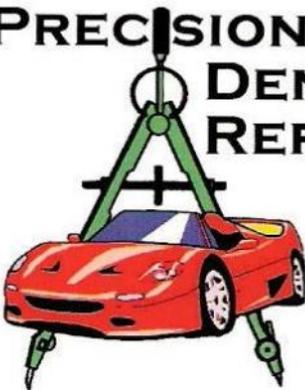

Well, I have to admit Cathy Tonne and I have been stewing after getting lost on the Grand Island tour. We lead the last group and came in last and had to walk past everyone in the buffet line to get to our tables. I guess it wouldn't be so bad if I programmed my GPS, but Cathy was my Navigator so I'm pretty thin on excuses. We've been checking in with each other if we heard anything for nominations for the DummKopf award held by Ken Wu. (I was told that recipients usually have a way of getting the award back, I wonder why?) Board Member Nancy Bocanegra ordered all the awards and when I asked her if Ken had selected someone she said no. I was mentally doing fist pumps and jumping. But Kay let the cat out of the bag at the awards luncheon and presented us with what I'll call the DummCup award. Thanks Kay.

We have a lot of activities coming up, including the Super Bowl this Sunday, Big Cats Tour by Lillie Echevarria and the Mendocino Tour by Vern and Howard. Lillie's Big Cat tour can be a one day or an overnight trip; your choice. Vern and Howard's Mendocino tour is a relaxing 3 day tour with daily tours and time to relax. Please check out details in our Goodie Store registration area on the Diablo web page, <http://diabl-pcaorg/>.

I'm running the Tesla Center tour on March 1st with a caravan to Tesla for a Car and Coffee social, tech session followed by a test drive. The response has been overwhelming. Thank you. At this moment, we have 120 people signed up. We will be breaking the caravan up for safety. Each person signing up generates an alert via email to me from the Goodie Store. The signups have been rapid enough and in enough volume to double my Yahoo email account. That's a problem I like to have.

Also I'd like to thank all of you who responded to my email requesting individuals interested in the open board position. I plan to send out a Bio request to you all at the same time with a deadline of about a week. I will also send out a description of the board position as well. If it doesn't seem like what you are looking for, we also have numerous open chair positions that are not elected positions. We can use help there as well. Please let me know if you have any questions or interest by emailing me at president@diablo-pca.org.

Diablo Driver Education Program

Happy New Year to all of our track day enthusiasts, instructors, sponsors and supporters. Thank you for your participation and support of our club. With your help, 2013 was by all measures a terrific year for Diablo DE. Our program has grown to become a fun and spirited and rather unique way to enjoy these wonderful cars, keep old friendships and make new ones.

Our success is due in no small part to our past DE Chair Mike Roberts who stepped down in December to pursue other club interests. Please join me in offering our heartfelt thanks and congratulations to Mike for his tireless efforts to re-build our program over these last two years. Under his leadership, our program has become a marquee program among Porsche clubs who feature high performance drivers' education events.

Several elements of our program truly make our track days special. We will continue this year with our 3 run group format and continue to limit the number of participants in each run group offering you, as the driver, more track time and more track space. In addition, our dedicated instructors provide you the opportunity to fulfill dreams and discover a whole new world safely, at your own pace and among friends.

Sign Up

Our calendar this year includes our upcoming Thunderhill DE day on Friday March 21, 2014 and sign-ups are open and available now on Motorsportreg.com. All run groups are still available as of this writing. We will likely go back to Thunderhill in the late summer / fall and on to Laguna Seca again towards the end of the year.

Join Us

As usual, our plan is to hold DE 101 / 201 events prior to each track day, which offer participants, both new and veteran to interact with instructors and fellow participants, as well as learn about high performance driving in a fun and stress-free, off-track setting. Plus, we always buy the pizza! Dates to be announced shortly.

Get Involved

Please consider getting involved as a volunteer with our DE team. We are always looking for volunteers with as little as an hour a week to assist us in the planning and execution of these fun days and the events that surround them. Please contact me directly at dechair@diablo-pca.org if you would like to help us.

A Loving Tribute to Jacquie Lietz

Diablo Region lost one of it's most loyal members in December. If you did not get a chance to meet or know Jacquie, she was a generous, loving active woman who fought until the very end. The following is the information shared during the recent Celebration of Life held for Jacquie.

Jacqueline Hannah Lietz

1950—2013

Resident of Walnut Creek passed peacefully at home after a courageous battle with cancer.

Jacquie was born and raised in New Jersey as an only child to Ruth and Ernest Zuccaro. Her zeal and energy for life started young and never slowed down.

As a child, Jacquie's competitive spirit and her love of horses led her to be recognized as one of the nation's top junior riders. As an adult she remained active in the horse community by judging and stewarding West Coast horse shows.

Jacquie married Walt in 1976 and they moved to California. They were blessed with two daughters, Heather and Heidi. Jacquie dedicated her life as a mother and volunteered for many organizations including Scottsdale Swim Club, Aquabears, Aquanauts, Northgate High School, Guide dogs for the Blind and the Diablo Porsche Club. Her welcoming nature and love for hospitality always had her planning something fun. She loved cooking and entertaining and her door was always open to friends and family.

For 15 years Jacquie worked for the City of Walnut Creek's Civic Arts Education Division. She loved planning events at the Shadelands Center. She was always at the front to greet everyone with a smile. Jacquie and Walt also enjoyed traveling and they visited over 20 countries. She loved experiencing new cultures and would jam-pack her trip with every Rick Steves' itinerary.

Jacquie lived to help others with a generous heart and loving spirit. She touched so many people with her positive outlook and was thankful for each and every day. She is survived by Walt, her devoted husband of 37 years, her daughters Heather Maddox and Heidi McMillan,

along with their husbands Jason Maddox and Danny McMillan, and her 6 darling grandchildren: Scott, Tyler, Roman, Kira, Paisley and Blake, as well as her beloved “Jersey” Family.

Four wheels glued to the road. Five senses fully awakened.

Take the performance that Porsche is known for. Then add to that the strength of a 400 horsepower engine, the design and greater stability of a wider body, the extraordinary traction and agility of all-wheel drive, and an unmistakable illuminated rear light strip. The sum of which is a sports car that holds your attention as tightly as it holds to the road. Porsche. There is no substitute.

Diablo Annual Awards Luncheon

Who ordered the warm sunny day for Diablo Region's Annual Awards Luncheon at Blackhawk Museum? Kudos for us! Over 80 Diablo members came out to admire each other's cars, enjoy an interesting tour viewing all the beautiful cars in the museum and munching on a bountiful buffet from Scott's Seafood.

The guest speaker was Paul Czopek, the Zone 7 Representative for PCA. He covered the upcoming Parade being held in Monterey, listing the various types of activities that take place during the week. Werks Reunion, A Porsche Gathering Coming to Carmel Valley, CA August, 2014

The Porsche Club of America is set to begin a new tradition in 2014 with the inaugural Werks Reunion. The new, premier Porsche event will take place on Friday, August 15, during the world famous “Car Week” on California’s Monterey Peninsula.

In years past, PCA co-hosted Legends of the Autobahn at the Rancho Canada Golf Club. For 2014, the club will host a dedicated event to celebrate Porsche automobiles on the very same fairways. Expect a breathtaking array of Porsches, from rare classics to customs, race cars, current models, and everything in between. PCA will host the event with participation from Porsche Cars North America. National PCA Sponsors will also be present with exhibits and displays.

Werks Reunion is open to all and tagged as “A Porsche Gathering?” for a reason: PCA is inviting other Porsche clubs to join in the fun! Werks Reunion is intended to be a new way for all Porsche owners to mingle during Monterey’s annual auto extravaganza. As a result, the Porsche Owners Club, Porsche Racing Club, 356 Registry, 356 Club, Early 911S Registry, R Gruppe, 914 World, and all Porsche clubs and registries are welcome. Membership in PCA is not required.

Porsche owners looking to compete will have the choice of entering their cars in either the people’s choice or concours categories. Special, one-of-a-kind trophies are being made just for this event. Other Porsche owners will have the opportunity to include their car in the display only Porsche corral. All will be treated to a stunning display of more than 500 Porsches, access vendors, and enjoy the camaraderie of fellow car enthusiasts. The 2014 show will feature the latest Porsches special vehicle presentations, celebrity guests, and a surprise or two.
