## **Letter from the Editor**

Hello Diablo PCA!

Fall has officially arrived!

That means those of us with cabriolets will continue to drive with the top down, but carry an extra cover-up and knit hat (and gloves if we don't have the luxury of a heated steering wheel).

Diablo PCA had a busy September & October, with a DE in September, our favorite Oktoberfest, 2nd Anniversary of Porsche & Pastries and an election for two new Board members.

Check inside for some photos and be sure to visit our Facebook and Instagram pages for even \*more\* photos!

We have a VERY special article written by Carrie Deakin about taking delivery of her brand NEW Miami Blue 718 at the Porsche Experience Center in SoCal. Keep an eye out for her car at future events (if you haven't seen her already)!

We're planning on taking The Devil's Advocate through a metamorphosis, but we NEED YOUR INPUT & OPINION! So please keep an eye out for a short survey either in the postal mail or email.

Your thoughts and suggestions are ALWAYS WELCOME as this is for YOU! No need to wait for a formal postcard or email -- please contact me at any time!

Safe driving & see you on the road!

-Maiko  
(diablopca.editor@gmail.com or mwmendoza@gmail.com)

# Diablo President - News, Updates, Thoughts and Ramblings

Hello Diablo Region...

I think I may sound a bit like the weatherman here ... but, bam Summer is gone. We had SO many awesome events and happenings If you were looking for something to do. We had it. Tours, Track Days, Picnics, Oktoberfest, including a 2 year anniversary of Porsche and Pastries.

Looking now at winter and the “Things to do” aren’t ending. Please, do check out the info in this newsletter, our weekly blasts and on our website to see what you can do next. I have said it before. If you want to be a part of an event keep a close eye out for when it is live and open for registration by checking those weekly blasts and sign up right away. Many of the events sell out fast. Right now, as I am writing this there are 8 events open for registration. 2 tours, a monthly Porsche and Pastries get together, our annual Planning meeting, DE 101, monthly dinner, D at Laguna Seca and our Annual Holiday Party. How many of those will you be attending?

You will see the results of our Board of Director elections and the results of your vote on the proposal to increase the number of Board Members. Our Region just as PCA is Fueled by Volunteers. Thank you to the candidates, all who were part of the election team and to YOU for voting.

WE need your input, involvement and support. There are many ways to do that. As mentioned and on an “official” level there is of course the board of directors, our “Chair Person team” or just raising your hand and saying, “I can help”. There is even another way and that is something not necessarily new, but perhaps a new focus, and that is a committee member, who help each of our programs be successful. Some may be just 2 folks, or it may be a group. An example of that is the “group of 11” who have done much for our DE program, from safety, training to planning. Another committee who have really got a lot accomplished already is our newer Tour Committee, who made suggestions to better the tours, as a result we have great guidelines, easy to use setup forms and following their recommendation we have purchased radios to use on tours to help communicate effectively and safely. We are next looking for some of you who may be interested in being a part of the Activities Committee. I know what you are thinking ... Ohhh cool ... I want to do that. These committees are organic and able to follow what they see as needed actions, you could join and just be a fly on the wall, be a part of a single function or activity or make this an ongoing level of involvement. My goal is to have a committee / group or just a helper for each one of our chairs. If you are so inclined and interested, please talk to me or the chairperson for the aspect of our club that you may want info on or be a part of. You can see the list of chair, region positions and the person who is a part of that in the list included in this newsletter.

I hope to see you at one or more of the upcoming events soon.  
Brian Adkins

## Diablo Region Celebrates 35th Anniversary

Diablo Region celebrated its 35th Anniversary and new member appreciation at their annual summer picnic at St. Mary's College in Moraga, California. There were more than 200 members in attendance, including 54 new members. Some 50 Porsches were allowed to be parked in the beautiful quad area in front of the college's chapel and a barbecue luncheon was catered.

*Cars on display in the quad area at St Mary's College, Diablo Region 35th Anniversary Picnic*

I presented the PCA 35th Anniversary plaque to club president **Brian Adkins** along with a letter from PCA club president Tom Gorsuch and a binder with the club's original by-laws and founding board members. A big thank you goes out to **Marc Giammona** and the other club members who made this such a memorable event.

## **Volunteer To Serve Your Club**

As we enter the last quarter of 2019 and look ahead to next year, all members should consider volunteering at your region to fill vacancies on your local board of directors or to chair an event. The club's success depends on volunteers to assist in planning and organizing tours, dinners, tech sessions, running our websites and of course serving on the board of directors. If you have the time and would like to serve, please let your club president know about your interest.

## **Zone 7 Concours #5 Hosted by Golden Gate Region**

On Sunday, August 4th, Golden Gate Region hosted concours event #5 at the recently remodeled Carlsen Porsche in Redwood City. With 41 cars being judged, it was the most attended event of the 2019 series. According to Zone 7 Concours chair, **John D'Angelo**, the event was not only well attended but very well organized. A big thank you goes to Golden Gate Region's concours chair **Mike Sherman** and his crew. Thank you for all you do for PCA!

## **Porsche Parade Sets the Bar at Boca Raton**

More than 1,400 PCA members attended the 64th Porsche Parade in Boca Raton. 27 members from Zone 7 attended, including 92 years young **Burt Propp** who was attending his 60th Porsche Parade. The event was held at the luxurious Boca Raton Resort. One concern prior to the event was the weather. All in all, the weather was fantastic for a typical July in Florida. Though temperatures averaged around 90 degrees for the week, the humidity was tolerable. Parade 2020 is headed for Palm Springs and will be hosted at La Quinta Resort June 21-27th.

## **Looking Ahead to Events of Interest**

### **Yosemite PCA 60th Anniversary: Sunday, October 27th**

Yosemite PCA is celebrating its 60th Anniversary. We are hosting a multi-region event at the Ironstone Vineyard in Murphys and would love to have you join us. There will be a morning drive, socializing and lunch at Ironstone, a quiz to test your knowledge of obscure trivia, photo opportunities and grandiose preferred parking. You may want to make a weekend visit to Murphys and spend the night at one of the Bed & Breakfast Inn's, great local restaurants for fine dining, visit one or many of the local wineries, or just stroll through this quaint little town. We expect many will shine up their cars to get the best photos from our professional photographer. Tickets are \$50 for each person attending. To register go to <http://yos.pca.org> for the Eventbrite registration link.

### **Zone 7 Autocross Series**

**Sacramento Valley Region** will be hosting the final Zone AX of the season at Thunderhill Raceway. If you are in the running for Zone points, this event is a must. All drivers competing for series titles must compete in at least 50% of all scheduled events and must participate in at least 3 events in different regions. For registration information go to <http://svr-pca.org> for the link to registration at [motorsportreg.com](http://motorsportreg.com)

Summer has just flown by for me as both August and September were filled with many different regional as well as some large national events.

In August I attended my first Werks Reunion and the Rolex Monterey Historics at Laguna Seca as a Zone Representative. It was very interesting to see what goes on in the background in planning these large scale events. For Werks, there were some 90 volunteers who helped at the event, with many directing car placement in the display area as well as the Porsche corral. I am told there were more than 600 Porsche cars.

The facility at Corral De Tierra provided a perfect backdrop for all of the amazing cars on display. I volunteered in the PCA membership tent and had a great opportunity to meet with current PCA members as well as Porsche owners inquiring about membership in the club. My hat is off to **Tom Provasi** and his dedicated staff for putting on another great event!

I also attended the Rolex Monterey Historic races on the same weekend, and under the watchful eye of **Lyn Friedman**, PCA National Corral and Porscheplatz Chair, learned about what it takes to setup the hospitality tent and car corral at this wonderful and well attended event. I was assigned the duty of arranging volunteers to staff the tent as well as to organize the car corral. Not knowing what to expect as far as crowds, I was amazed that more than 500 persons visited the tent to watch the races on the large screen television, enjoy the catered lunch on Saturday, or to rest in the shaded tent while watching the race at turn 5. I would like to thank **Tom Carroto, Michael Krebsback, Steve Ponsi, Lyn Austen, Sharon Neidel, Carolyn and Kirk Doberenz, Steve Cate, Pam and Dan Richards, Brian Adkins, Sergio Meza and David Gates** for helping out.

## Is This Real Life?

### Delivery Day at Porsche Experience Center, Los Angeles

By Carrie Deakin

"Ready?" my driving instructor Ricky asked. He stood at the rear of my custom-ordered Porsche, holding one end of a black sheet. I was seconds away from seeing my car for the first time.

We'd just finished a 90-minute track lesson at the Porsche Experience Center (PEC) in Los Angeles, where I was taking delivery of a 718 Cayman. On the track, I learned about oversteer, understeer, and the whys and hows of vehicle performance and handling. I practiced proper braking and hitting my apexes on a 1.3-mile handling circuit. I launched the car down a 1-mile acceleration straight and around a Nurburgring-inspired carousel.

I had a blast on the heart-pounding, high-speed sections of track. But the most fun? The slower-speed yet higher-intensity low-friction circuits and kick plate. I thought they paralleled gymnastics, a sport that combines powerful athleticism with graceful agility. As a gymnast, I appreciate the skill and precision required for quick hand-over-hand steering while braking and accelerating at the exact right times. It reminded me of the exactness and fluidity of being on my favorite event, balance beam.

Before we left the track, Ricky took over as driver and cut loose. He drove all the sections I'd practiced, so I was able to feel how they were meant to be driven, and identify what I need to work on the next time I visit.

My delivery specialist Charles met us inside. The three of us walked to a private room where my car was waiting for me under the black sheet. My name was splashed on a TV screen with a message: "Welcome, Ms. Carrie Deakin, to the Porsche Experience Center in Los Angeles." I snacked on a chocolate croissant and M&Ms that matched the color of my new car.

Then it was time for the big reveal.

My heart raced. Four months of waiting, finally over! I set my iPhone to record the delivery of my baby. "I'm ready," I said through the giant grin on my face.

Ricky counted, "3 . . . 2 . . . 1," and slowly pulled the sheet back. I saw the loud splash of Miami Blue. He continued pulling the sheet, off the hood, over the roof, and off the trunk, but my gaze remained fixed on the front end. This was my Miami Blue 718 Cayman with the black and chalk interior. My first brand new car. My first Porsche

I felt outside of my body. I think I said, “That’s really my car!” But in my head there was another conversation happening.

New, Porsche-owning Carrie: *“Is this real life? I own a Porsche now.”*

Old, non-Porsche-owning Carrie: *“Dude, it’s just a car.”*

Both Carries: *Then why does it feel so frickin’ amazing?!*

After Ricky walked me through the features and good-to-knows of my car, I had to sign my star. Everyone who takes delivery at PEC signs a numbered, magnetic star that goes on the wall in the delivery room. I’m number 221.

“Throw it up there,” Charles chided. The magnet was too light to make it from where I was standing in the center of the room. I walked closer and made a dramatic, discus-like throw. It didn’t stick to the wall, but Charles and Ricky roared with laughter.

“We tell everyone to throw it but you’re the first one to actually try!” Charles said.

With the main attraction taken care of, I went up for lunch overlooking the track at Restaurant 917. In all my excitement, I’d barely eaten that morning, and I was famished. I ate an absurd amount of food — an item from every course on the menu, plus 3 baskets of these amazing pretzel roll things (I would go back to Restaurant 917 for those alone) — and savored every morsel. I mean, when was the last time I took delivery of a Porsche in an exclusive, VIP experience? Oh, right.

After lunch Charles took me outside to the front entrance, where my car was staged on a runway in the middle of the parking lot. He handed me the keys and a swag bag filled with Porsche goodies and mementos from my delivery, including a memory card with photos from the morning (yes, a PEC photographer followed me around like I was a celebrity).

Charles also took care of the smallest of details for me, like mounting my temporary license plate, packing my purse and other personal items in the frunk, and even laminating my insurance card. The many thoughtful touches throughout the day blew any expectations I had for my delivery day out of the water. It was the high-end, concierge experience I didn’t even know I’d hoped for.

Keys in hand, it was finally time to start the drive back to the Bay Area in my Porsche. I turned the engine on and drove down the runway, out of the lot, and onto the open road . . . er, packed LA freeway.

One of PCA Diablo's favorite fall events is Oktoberfest! This year was graciously hosted by Judy Huggins at her beautiful home in Alamo. Here are some of the highlights:

You can't have *Oktoberfest* without *Bratwurst*!

And for our members who live a more "California" lifestyle -- plant based bratwurst!

You can't have *bratwurst* without *sauerkraut*!

And a selection of *senf* (mustard). There's even ketchup for the cheeky nonconformists!

At PCA Diablo, we make sure there's at least two desserts per attendee!

## Monthly Diablo Region Dinner

Please join fellow Diablo members on the 3rd Thursday of each month for excellent Mediterranean food, lively conversation and for the oenologists amongst us, **NO CORKAGE FEE** if you bring your own wine! AND separate checks!

### Where?

Faz Restaurant  
600 Hartz Avenue  
Danville, 94526

### When?

3rd Thursday of each month @ 6:30pm

### How do I get on the guest list?

There is none! Just show up BUT we do ask that you RSVP to Alaric Sales, Diablo PCA Events Chair ([Alaric.Sales@gmail.com](mailto:Alaric.Sales@gmail.com)) so that we know how many tables to reserve. (REMEMBER: Separate checks!)

### What if I can't make it to Danville by 6:30PM?

If you work or live beyond the San Ramon Valley, we know the Bay Area's prize-winning traffic makes it difficult to arrive by 6:30PM (sometimes even 8:00PM).

If there's a place near you that might make a good monthly dinner location, let us know!! You can email Alaric ([Alaric.Sales@gmail.com](mailto:Alaric.Sales@gmail.com)), Brian Adkins ([bpagoride@aol.com](mailto:bpagoride@aol.com)) or any Board member.

There are a couple of requirements:

- 1 - Ability to have separate checks
- 2 - Can accomodate a party of 10 to 40 people (with advance notice)
- 3 - Has an easily accessible parking lot with space for at least 10 to 25 cars during dinner time (we need to remember there are non-PCA diners as well!)

Thank you for your suggestions!

# Special Interest Groups

The **PCA Register Program** is a new opportunity for members interested in networking with owners of specific Porsche models.

The PCA Register program was established in 1995 to encourage closer relationships across PCA regions and promote PCA members to network with others in their specific area of interest. The sharing of information fosters restoration and maintenance of member's automobiles.

A register can potentially provide a new resource for historical displays at Parades and other PCA events, along with information for articles in Porsche Panorama.
