In The Zone - July 2018

By Sandy Provasi, Zone 7 Representative

A big shout out to the whole CRAB 37 committee from Sacramento Valley Region. It was another wonderful weekend centered around the California Automobile Museum. There was tons of crab to eat along with a Crabkana, Autocross, walking tour, driving tour, TSD Rally, and Concours. And of course meeting old and new friends!

Shasta Region again put on a Zone 7 Tour which had all 10 regions in Zone 7 represented. It was quite an undertaking with 56 cars divided in 3 groups for 4 days of driving great Porsche roads around Shasta, Lassen, Hat Creek, Trinity and Burney Falls. Thanks Shasta Region for being wonderful host. This was the same weekend of "Sports Car Together Day" so there were a lot of great photos.

Heads up if you are going to Rennsport. Tickets for parade laps around Laguna Raceway will go on sale Wednesday July 11th. You must have a purchased a corral pass already (sold out) and be driving a Porsche to participate in the parade laps. Check out e-Brake News for more info the week before.

Looking ahead, if you are planning on going to the PCA Corral at Laguna Seca during car week (Corral open 8/25-26), you need to purchase a Corral pass through Motorsportreg.com. When they sell out, you will have to park in the boondocks. You can also order lunch for Saturday at the same time. Tickets for the races are sold through weathertechraceway.com

Werks Reunion registration is open at Motorsportreg.com for Judged and Corral. The judged section is just about sold out, however there is plenty of room in the Corral. There is now a lunch option offered by Corral de Tierra, which should be a treat since you will not have to stand in the food truck line. Check it out when you register.

Up Coming Events:

Lake of the Ozarks Porsche Parade, Tan-Tar-A Resort, Osage Beach, Mo, July 8th-14th

Sacramento Valley Region, Zone Autocross, July 21st

Sierra Nevada Region, Zone Concours weekend, July 28th-29th

Loma Prieta Region, Zone Autocross, Marina, Saturday, August 4th

Golden Gate Region, Zone Autocross, Marina, Sunday, August 5th

Monterey Bay Region, Zone Concours Sunday, August 12th

Redwood Region, Zone Autocross weekend, August 18th-19th

Werks Reunion, Corral de Tierra, August 24th

PCA Corral at Rolex Monterey, Laguna Seca, August 25th-26th

Rennsport Reunion VI, Laguna Seca, September 27th-30th

Drive safe.

Words from the President

August is here, which means we just concluded the annual picnic and new member appreciation picnic.

During the year we have lost some members, as well as others have moved on to other regions. We recently lost our dear Porschophile Rolf Kvalvik (RIP). Just recently, I was told one of our founders/charter members: Bob Erickson passed away. Although different, departing from the region, after some personal tune-up, was Andre Boursse, our former Membership Chair, as he moved East at the end of July. The membership is already missing Andre and so am I. Though we lost Andre we gained an enthusiastic couple in Juan and Rowena Fernandez as our new Membership Chair(s). Jack and Jan Carpenter have announced that by mid-August they will have relocated to Yucca Valley. Both Jack and Jan contributed greatly to Diablo for more than 35 years. We celebrated their departure at the Buttercup breakfast.

Sadness aside, our annual Picnic was big – 218 Diablo Members, Affiliate Members, PCA Juniors and guests showed up. With our special Guests, the picnic probably swelled up to 230. We did have friends from Sequoia Region as well and someone mentioned to me Yosemite had some members show up for the Picnic. You were certainly welcome Zone 7 guests.

Among our sponsor Dealer guests were Porsche of Fremont's Bianca Cardenas and her mother, Porsche of Walnut Creek's Melissa Jones and her family. By the way, Melissa and her sister's family helped us stuff a Cayenne with 22 people. We also had Porsche of Fresno's Arya Omidvar. Thank you, Porsche of Fresno, for making the long drive to the Bay Area. Kevin Hanschke, General Manager, of Porsche of Livermore. coordinated with Porsche North America as well with Porsche of Walnut Creek for test drives of various Porsche models. This was a big hit with the membership. *Thank you sponsoring dealerships not only for attending and celebrating with Diablo, but for your generous support throughout 2018! Our non-dealer guest, Griots had an onsite representative and Griots again doled out a generous discount on their superb product line. Thank you, Griots, for your support and for your presence at the picnic.* I already ordered my Griots re-supply – did you?

The setting for the picnic was amazing – the main lawn in front of the chapel for St. Mary's College in Moraga. St. John Baptist de la Salle overlooked a sea of about 90 various model year Porsche cars and Porsche SUV. I must acknowledge Marc and Mary's event coordination, as this was the largest event **ever** hosted by Diablo. Marc's team of volunteers were fantastic. Did I mention the BBQ? Que-it-Up provided us with excellent mouth-watering BBQ food. *Thank you, Marc and Mary, for a wonderful annual picnic and for a wonderful celebration of existing Diablo and new Diablo members 1,400 plus strong.*

We have concluded the mid-way mark and now three Director Chairs are up for election or re-election. I will not be running, but I can say that this has been a very rewarding experience. So, get your nominations in and let the voting begin. Please contact Mickie Alexander with your nomination(s).

Looking back, we have 2 Driver Education days behind us and now we are looking forward to the Sept 7th event at Thunderhill Raceway's 5-mile track. Please register early, bring your Porsche friends along for the Porsche-only mark experience, as well as enjoying the social hour the day before and after a great track day. Please see the Diablo e-News blasts for more information.

Speaking of e-News blast, our Communications Chair has been in Africa taking pictures and enjoying a well-deserved time off - we missed you at the picnic Carolyn Wong.

We need to get some more tours up and running – ideas anyone, please contact Susie George our Tour Chair. Diablo needs host sites for the Oktoberfest as well as the holiday party. Please contact our busy event coordinator Alaric “Alex” Sales.

We are continuing with our 2nd Sunday “Porsche and Pastries.” We average around 30 cars, but often have more. Come by for free coffee and if you have a Diablo member badge you will get a free pastry.

We have been keeping our Webmaster and Editor busy. We couldn’t ask for a better job and Anthony Mendoza has been excellent. Anthony however would enjoy seeing someone take over the Advocate Editor role. Speaking of the Advocate – send in your tour, personal tour and your car stories for future issues of the Advocate. Writers wanted – even, if you are sending in a picture with a paragraph or two.

Our social media chair is keeping the Facebook page humming with pictures and great articles – thank you Brian. If you read right, we stuffed Kay Maloy’s Cayenne with 22 people – please go to the Diablo Facebook page to see the stuffees, as well as some great people pictures and car pictures from the Picnic. I believe our Instagram page will benefit from all the pictures. Yes, Al, I was in the Cayenne.

We are seeing more and more members who joined PCA Diablo 10-15 years ago coming out to enjoy their time with the current active membership. However, our founding members are rare to see which is disappointing, but understandable. What can we do together 1970-1990’s Diablo members?

Keep your Porsche(s) on the road and keep the rubber down – see you out there and say ‘no’ to garage queens.

Carlos

Lake Tahoe Tour July 21-22, 2018

By: Rita Hannum and Mike Youngblood (Historian)

Not rain, hail, thunder or lightening could discourage 24 intrepid travelers from a most scenic drive to Lake Tahoe. Unfortunately, our trip organizers, Bob and Christi Hilton could not join us, we thought of them often. Fortunately, we had Ted and Ingrid who graciously led the way first to Murphy, one brief wrong turn near the Bear Valley pit stop and onto Hotel Becket at Lake Tahoe. Ebbetts Pass is truly a national scenic road and by itself was worth the trip alone and well worth a return visit.

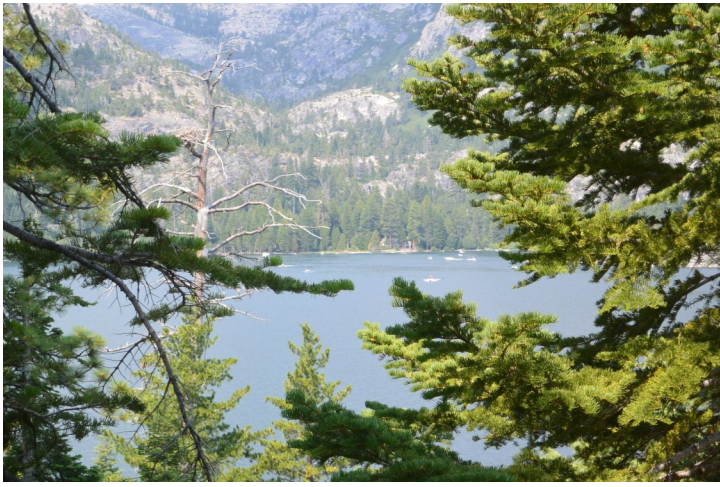

Along the way we encountered a band of motorcyclists who thought that we Porsches were not fast enough, so they had to weave around us on a road barely wide enough for one car. Expert driving and patience saved the day here and at our next stop, Hotel Beckett where check-in was met with a brief hailstorm! We were rewarded with just enough time to rest to later take a leisurely sail on the MS Dixie II. While waiting to board, some of us had a Zephyr Cove Sunset made of equal parts vodka, melon liquor and the remainder fruit punch, my favorite drink of the weekend. The best was yet to come, several hours of excellent food, splendid scenery and good company. A round trip excursion to Emerald Bay complete with music and informative explanations were accompanied by a glorious sunset, perhaps complements of the Yosemite fire. Just as you would expect, our interim guides were rocking to the music and others wanted only to sit and watch the lake go by on chairs on the upper deck giving us a great view of the Vikingsholm and tea house that we would soon visit.around the roots of the world-tree and that is what you see on the front door.

The next day, a handful of us made it to the Castle which was created by Laura Knight in 1929 and there we noticed a repeated dragon theme....I will let Mike explain because the tour guide didn't know why: The great serpent who encircles the watery extents of the world of men, biting on his tail to keep the world together is also related to another serpent who coiled

Now I do have to mention we all had one big problem on the trip and that was parking. At the hotel yours truly had to take off her shoes, climb over the center console and out the passenger side to get out of the car! I am afraid that California is getting more crowded, but I think we all had a great time and would do it again!

PS: Livermore Porsche presented us with a Porsche flag, genuine cap and water bottles. Can anyone give me a recommendation of what to do with the flag? I wound up with two flags if someone would like to have one?

May 2018 34th Annual Car Show

Diablo's Car Show Chair, Brian Adkins, organized our region's 34th Car Show for Memorial Day weekend with 87 cars on display. The Car Show raised \$2,300 for The Martin C. Kauffman 100 Club (100 Club) of Alameda County.

Donations were raised from raffle ticket sales, cash donations from Diablo members and national PCA, and a portion of each car entrance fee. The raffle prizes were from Fremont and Livermore Porsche as well as other club partners and generous donations from many local businesses. Diablo's original Car Show was known as Wash-N-Shine giving members an opportunity to wash, polish and spruce up their cars for judging and public viewing. Since then, the Car Show has changed its name and format. Today it is a friendly car competition where the Diablo members vote for their favorite car in each model type and culminating with the Best of Show.

This year's winners are

Congratulations to all the winners!

Diablo Charity Chair, Trina Adkins, presented Patty Goodman, the Director of Family Liaison for the 100 Club, with a check for \$2,300. The 100 Club provides immediate financial assistance to the spouses of police and firefighters killed in the line of duty in Alameda County. The 100 Club gives \$25,000 within 48 hours to the spouse to help cover funeral expenses and other household expenses. Funds are also available for college scholarships and an annual holiday gift to the children of the families.

The day was perfect, ending with a delicious taco lunch from Luna Loca Mexican Restaurant. Thank you Brian Adkins, volunteers, dealers, and participants!

Editor's Paddock

I am temporarily taking over as the Editor of the monthly newsletter for Diablo Region until a new volunteer is found. If you want to contribute to the club and volunteer for this position please let us know! I will try to keep to the same high standard that Kay has set over the past 9 years. The Region desperately needs someone with desktop design skills to put together the monthly newsletter that details events and tours and flyers advertising the upcoming activities.

You will work closely with the Events Chair, Tour Chair, DE Chair, Webmaster and Carolyn Wong, who uploads the event information to Eventbrite. It is not required, but attending the monthly Board meeting helps you stay in touch with what is happening.

The current program being used is Microsoft Office Publisher, but any program can be used. Adobe Acrobat is also used to make PDF's for sharing files created in uncommon programs.

The amount of time needed to complete the monthly newsletter depends on how many events are taking place and how many future events are scheduled. It usually takes 6-12 hours a month to complete and hand off to the Webmaster for uploading to the Diablo website. I also upload a copy to a publishing company for printed copies to be distributed to our advertisers.

If you are interested or have any questions, contact the Board (bod@diablo-pca.org) or myself, the current/temporary Editor. I can be contacted at editor@diablo-pca.org.

Member PCar Photos Wanted

I am going to start using member photos for our advocate covers! Please send me any PCar photo you would like to submit for use as an Advocate cover. ALL PCar pictures welcome. I would especially like to see 944, 968, 914, 912, 356, Cayenne, and Macan photos. Please send me the highest resolution version you have direct from your camera or phone. Shares from Facebook, Google photos, and other sharing sites are not suitable for publication.

Please email your entries to: editor@diablo-pca.org and let me know if you'd like your name attributed to the car. I will blur out all license plates.

In The Zone - August 2018

By Sandy Provasi, Zone 7 Representative

The 63rd Porsche Parade was held at Lake of the Ozarks, Missouri the second week of July. Zone 7 had only a couple dozen attendees this year. However we came home with a good number of awards. Jessica (GGR) and J Toney (SVR) again took 1st place in their TSD Rally class and Overall Winners of the Parade TSD Rally for the second year. Tom Provasi (LPR) driving with his brother Ken took 1st in class and 2nd overall behind the Toney duo. Andrew Blyholder (GGR) took Top Time of Day for the men at the Parade Autocross with his fast 914. Terry Zaccone (GGR) also won his class in Marcel. Tom Provasi and myself both took 1st in the Cayman class thanks to Tom's brother letting us borrow his Cayman. Zone 7 also had Michael Hinton (RR) take 1st in the Early 911 Tech Quiz class along with Andrew Blyholder taking 4th in the 914 quiz. In the Art Show, Caroline Doberenz (DR) received 1st in her class and also People's Choice award for her knitted Porsche crest blanket. Parade doesn't happen without a lot of volunteers. Rik Larson (SVR) co-chairs the Parade TSD Rally and Larry Sharp (DR) chaired the Parade Autocross. I hope I didn't forget anyone!

Looking forward is the 64th Porsche Parade 2019 to be held in Boca Raton, Florida at the Waldorf Astoria, July 21-27, 2019. It was also announced that Parade 2020 will be held in the Greater Palm Springs area, June 21-27, 2020. Save the dates.

Over the next two months Zone 7 will need a lot of volunteers to help with Werks Reunion Monterey, PCA Corral at Laguna, Porsche Platz at Laguna and Rennsport Reunion at Laguna. If you are attending one or all of these events, please, please volunteer. For all events at Laguna Seca Raceway you will need to purchase a race ticket. It is amazing whom you meet and the fun you have when you volunteer with other Porsche enthusiasts. You can email me at sandyprovasi@gmail.com and I will forward to the correct person.
